TREWEN STARS STADIUM SAFETY POLICY AND EVACUATION PLAN

Stadium Policy

The Club has agreed the following Safety Policy, which includes all of the Compliance as listed in FAW Tier 2 Licensing Regulation I.03.

Spectators Access into the Ground

The club has 2 Turnstiles, which are designed in such a way as to avoid congestion and ensure the smooth flow of the crowd.

It is possible to segregate spectators when accessing the Ground.

Public Passageways

All public passageways are clearly marked within the ground and entry to the ground

Exit Doors / Gates

All exit doors and gates in the Ground, and all gates leading from the spectator areas into the playing area, are fitted with locking devices which may be operated simply and quickly from inside or outside the ground and remain unlocked during the game.

There are no gates onto the playing area

Signage

The sign-posting of ingress and egress routes, all exit gates/doors, toilets, refreshments and other facilities, shall be maintained at all times.

Policy for Players, Officials and Spectators

The procedure for Players, Officials and Spectators when entering the Ground is as follows:

Policy for Players

Upon arrival to the ground parking for players or a team bus is provided. Upon leaving their vehicle, players should enter the changing facilities via the "Players and Officials Entrance" which is clearly signposted. Upon exit of the changing facilities the players have direct access to the steps that lead to the playing field

Policy for Officials

Upon arrival to the ground parking for Officials is provided. Upon leaving their vehicle, officials should enter the changing facilities via the "Players and Officials Entrance" which is clearly signposted. Upon exit of the changing facilities the Officials have direct access to the steps that lead to the playing field

Policy for Spectators

Parking is provided for spectators at the ground but if the car park is full then there is overflow car parking available 100 yards away and stewards will direct spectators to this. Spectators have access to the clubhouse before the game and directly outside the Clubhouse is the steps leading to the pitch. The Entrance is clearly marked and also shows admission prices

Boundary wall/fence

There is a 1.8 metre perimeter fence surrounding the whole ground. This fence does not obscure viewing but the ground is fully enclosed without public access so it is not possible to view from the outside

Layout Plan and Site Plan

Ground site plan is detailed below and a google maps view showing access routes to the ground

I.03. Evacuation Plan

The plan is designed to cope with any emergency irrespective of how, where or when it occurs, and for this reason the Plan must retain a degree of flexibility.

Key

EX = Emergency Exit
G = Exit Gates
→ = Routes
