Stewarding Policy – Bush Park

1. This policy will apply to all football matches at Bush Park at any level, and for the avoidance of doubt will also apply to pre-season matches and when the stadium is selected to stage any cup matches .
2. Prior to every game the Steward will conduct a tour of all parts of the stadium, incorporating a visual check to ensure that safety standards are met, and to react accordingly should there be any breach. During the winter period to ensure the stadium is free of ice and snow and is safe for spectators.
3. Prior to each game the Steward will conduct a tour of the car park fronting the stadium, to ensure that sufficient parking space is available and to remove any obstructions. This will be to ensure that roadside parking at Bush Park is kept to a minimum, and that disturbance to residents is also kept to a minimum, and that the highway is freely available to all users especially those of the emergency services. Where the anticipated need for car parking exceeds capacity, the overspill car parking 100 yards further along at Crai Scouts should be used
4. To ensure the gate providing vehicular access to the stadium is free of obstruction to allow access for any emergency vehicles during the duration of any match, and that when within the stadium there is no obstruction for these vehicles to reach all parts of the stadium
5. To ensure this gate is unlocked during the duration of any match to provide a swift exit for spectators, in any emergency.
6. To ensure that any entrances are fully staffed and that the ground regulations relating to the stadium are clearly visible in the entrance area, and to ensure that admission prices are clearly visible.
7. Conduct a visual check of spectators entering the stadium via the entrance area, checking for signs of prohibited items or intoxication.
8. Where it is necessary to segregate spectators, to direct visiting spectators to the relevant area of the ground, and to provide a cordoned area as appropriate.
